where CHILDREN come FIRST everyday

JUNE 2020

“Then Simon Peter answered him, Lord, to whom shall we go? Thou hast the words of eternal life. And we believe and are sure that Thou art that Christ, the Son of the living God.” (John 6:68-69)

Peter's life was forever changed by meeting Jesus. We can read Peter's life story throughout the New Testament and see how his relationship with the Lord would grow tremendously as time continued beyond this passage . . . nonetheless, his journey began by an **encounter with the Son of God**. It was good news for Peter!

Our heart's desire is that children will have **encounters with Jesus** this summer, despite COVID-19 restrictions that keep us from face-to-face ministry opportunities. The mission of CHILD EVANGELISM FELLOWSHIP OF NORTHUMBERLAND COUNTY has always been foremost to teach boys and girls Who the Lord Jesus is and how He can be their Saviour from sin. That mission is not canceled, though our traditional programs of 5-Day Clubs and Camp Good News are for 2020.

GOOD NEWS ENCOUNTERS

Simply stated, "encounter" means "meeting." As the result of receiving a care package and viewing our online curriculum, we pray that children will 1) meet Jesus for the first time through the stories from Scripture—evangelism and 2) learn to encounter Jesus for themselves—discipleship.

Online Curriculum

Phase 1—David. *Bible lessons with review quizzes online now!*

Phase 2—Jonah. *Five video episodes coming in July! Most similar to the 5-Day Club format, including memory verse and missionary story.*

Phase 3—Peter. TBA

Open camera app on iPhone or Android to scan code and visit our new webpage and home of Good News Encounters

Care Packages

Phase 1—Over 250 packages delivered to clubbers by members of our 11 Good News Club teaching teams.

You have given over \$5,100 towards this special project! Thank you!

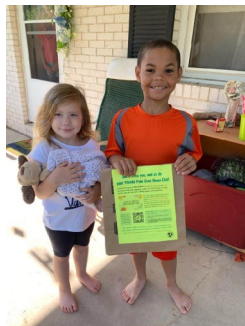

One teacher shared her experience: *“Seeing the smiles on the children's faces was the biggest blessing. It was a good feeling to know that we could share in bringing some sunshine into their homes. May the Lord use the efforts of the many hands that went into the project to work in the hearts of these clubbers and their families.”*

I am in awe of how God brought to fruition six weeks of prayer and planning endeavors to meet the children where they are and show them the love of Jesus! This would not have been possible without our club teams giving about three hours per 20 homes to make the deliveries, or without your generous gifts to purchase the food items, David activity book and crayons, and Psalm 23 craft kit! A Gospel tract was carefully chosen for the children, as well as one that the teachers could leave with parents/guardians.

You may join us in making deliveries this summer! Contact me at director@gncnc.org for details.

To God be the glory!
