where CHILDREN come FIRST everyday

NOVEMBER 2021

"And that, knowing the time, that now it is high time to awake out of sleep: for now is our salvation nearer than when we believed. The night is far spent, the day is at hand: let us therefore cast off the works of darkness, and let us put on the armour of light." (Romans 13:11-12)

God first led me to this passage five years ago, when we began to hear of After School Satan Clubs beginning in parts of our country. Romans 13:11-12 has been on my heart again since this summer; it speaks to me of the ever growing urgency of giving our best efforts to be Gods light during these dark days of our nation. Now is not the time to turn a blind eye to what is being taught in the schools or being encountered by children on social media.

Our hearts overflow with thankfulness for the open doors to apply in nearly every school district in Northumberland County! The first After School/In School Good News Club is scheduled to begin mid-November . . . our first in-person GNC since March 12, 2020! We need teaching teams with helpers in place (see needs below) in order to finalize use of facility applications for several schools.

I realize not every person reading this can show up at an After School/In School Good News Club every week for six months. Nevertheless, you can be a partner to make ministry happen!

- Become a prayer partner for a specific GNC. Pray by yourself and/or or recruit friends from Sunday School or Bible study to pray at the time the club meets. I will give you the contact info for that club's Bible teacher who can share timely prayer requests and praises with you at least twice a month.
- Offer to provide snacks every few weeks for a club, or contribute some brand-new prize items for the "GNC Store." Please contact me first as to what is or is not acceptable snacks and prizes.
- Commit to going to the front lines because it is "high time" to share the Light of the World.

For the Next Generation, Anna
