NOVEMBER 2017

"In every thing give thanks: for this is the will of God in Christ Jesus concerning you."

(1 Thessalonians 5:18)

Giving thanks . . . for opportunities to tell the old, old story to those who have never heard. A fifth grader at Priestley Elementary sat listening in the first week of Good News Club before turning to one of our helpers and asking, "Who is God?"

Giving thanks . . . for young hearts eager to soak in God's Word. A clubber ran to her parent after the first club at Beck Elementary and excitedly said, "We learned about God today!"

Giving thanks . . . for open doors in every elementary school in our county. Not only are we grateful for the locations in which to hold the clubs, but also it is a blessing to have secretaries, teachers, and janitorial staff positively receive us back into their libraries and cafeterias. We pray that our presence in the school buildings is a blessing to those adults with whom we interact and not only the students.

Giving thanks . . . for our volunteer missionaries. Enclosed is a brochure listing the clubs and teaching teams. I encourage you to keep it in your Bible or a place where you can often refer to it with thanksgiving for the men and women who give at least an hour and a half every week to share the Gospel of Jesus Christ with elementary age children.

Giving thanks . . . for you! This ministry continues because you, our prayer warriors and supporters, are an illustration of the faithfulness of our God. Thank you for choosing to make an eternal investment of your time and resources!

For the Next Generation, Anna

Harvest*

Join us at our fall banquet to celebrate what God has been doing in the home mission field among the children of our county!

That is the goal of the evening. There is no cost to attend but an RSVP is required for the free roast beef and chicken dinner that will be accompanied by harp, violin, and vocal music and a message from Pastor Charles Cole.

Contact the office by November 1st (or call for availability) to reserve your seat.

Join a GNC Teaching Team! Helpers are needed at Mount Carmel Elementary, Montandon Elementary, Shamokin Annex, and Shamokin Elementary; a Bible teacher is needed at Chief Shikellamy Elementary. Please see the enclosed brochure for details and contact Anna if the Lord leads you to respond.
